The COVID-19 global pandemic is having an unprecedented impact on transit in the Chicago region. This dashboard shows the status of ridership, finances, and operations of transit in the Regional Transportation Authority (RTA) service area including the Chicago Transit Authority (CTA), Metra, and Pace as compared to 2019. Each panel will be updated as data becomes available. See the RTA website at RTAChicago.org for more information.

Instructions: Select icon at top right of each panel to maximize window. Select icon again to minimize window and return to previous view. Interact with the charts by hovering over the data or clicking on the key to turn on/off a dataset.

Sources: Transit and financial data from RTA, CTA, Metra, and Pace. All trips data from RTA analysis of Replica State of Illinois COVID Planning data, 2020, made available by Illinois Department of Transportation.
